

# CoachWeb Goes Mobile

---

## A platform designed for a mobile workforce

---

Recording hours and sessions can now be done on the playing field, on the bus and just about everywhere else. The free CoachWeb mobile application improves accessibility to record time for coaches.

We are readying our CoachWeb mobile application and are looking for some willing volunteers to help us shape and test the new application.

Our first release is coming up so please register your interest at [www.coachweb.co.uk/mobile](http://www.coachweb.co.uk/mobile) for more information.

### What are the benefits to coaches of being mobile?

- No need to go online to journal sessions
- Keep track of session time more easily
- Receive notifications directly to the phone
- Synchronise session times with personal calendars

### What are the benefits to CSPs of the mobile application?

- Improve information capture from coaches
- Introduce another benefit of using CoachWeb
- Communicate directly to coaches on the move
- A mobile platform to check minimum standards of a coach
- Digital verification of coaches
